- EC Request
- Timeline (past and present)
- The path forward

WMO OMM

EC 72 Request

- ✓ Review the WMO Capacity Development Strategy, 2015
- ✓ Take into account the WMO Community Platform for coordination of information and cooperation to better understand the capacity development needs of NMHS in all areas of service delivery
- ✓ Ensure that the strategy takes into account ways in which the WMO Regional Training Centres, WMO training partners and WMO specialized Centres

WMO OMM

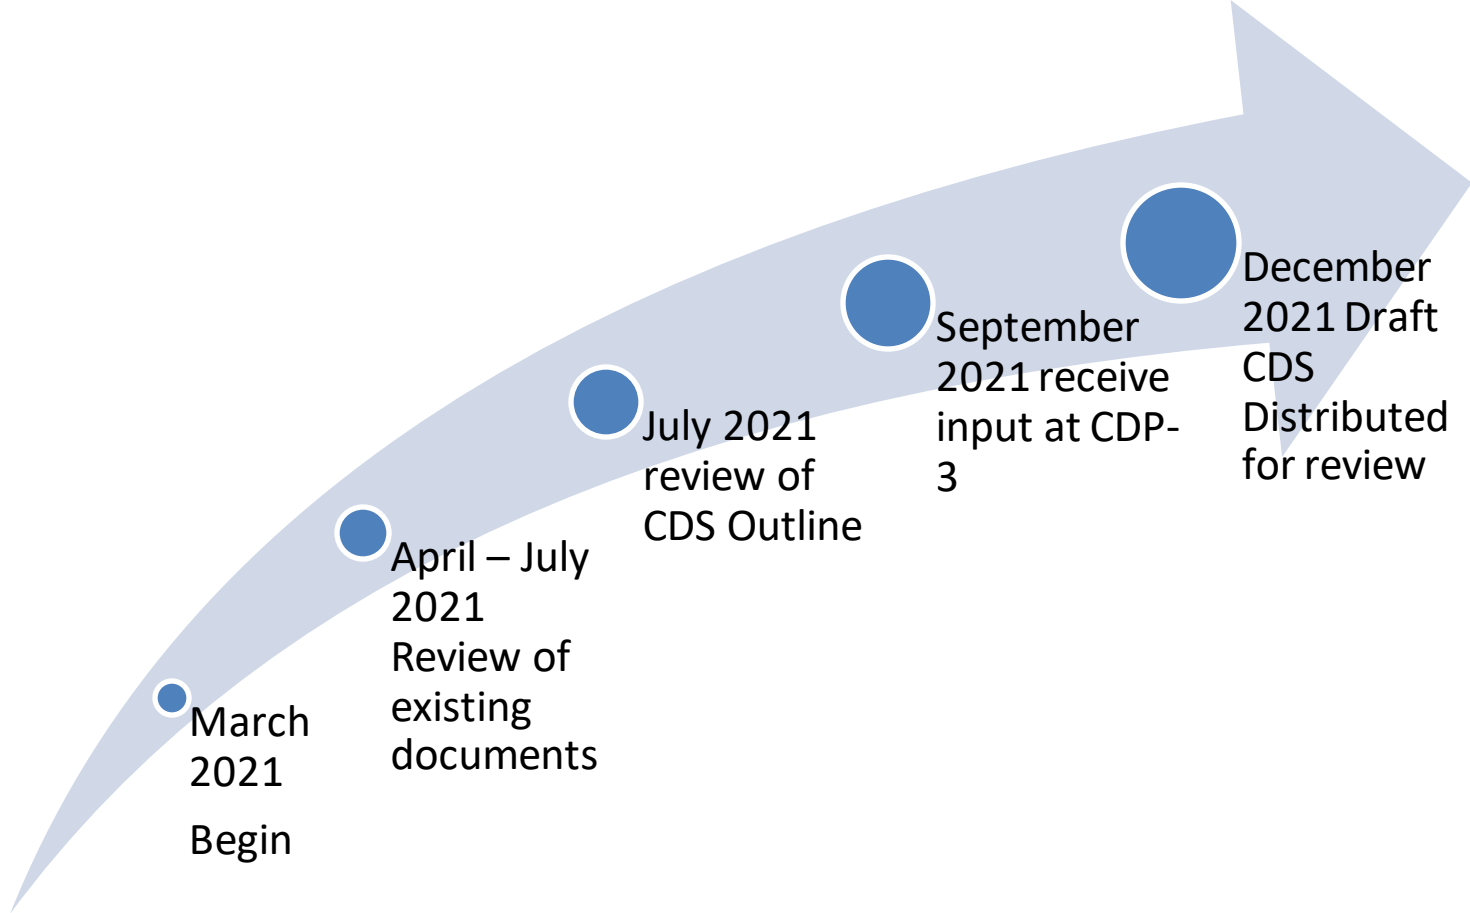

Executive Council 73 Request

- ✓ Co-opt other experts from WMO and development partners in support of its activities
- ✓ Work towards a conclusion of this exercise and prepare a report for consideration by the EC-74
- ✓ Taking into account the concepts of Hydromet Alliance, CSI, SOFF initiatives for their implementation.
- ✓ Encourage training institutions to embrace online training where possible
