

The LNMC Women Workshop UN Compound, Janzour – Tripoli, 2 – 5 / 12 / 2024

The Libyan National Meteorological Centre (LNMC) and the UNDP/Libya organized a Capacity-Building and Enhancement Workshop for the Libyan Female Meteorologists with the support of the UNDP/Libya & EU, and the valuable cooperation of the Female Experts from the Moroccan General Directorate of Meteorology (GDM) within the framework of the MOU, which was signed between the LNMC and GDM on 19 / 12 / 2023.

The workshop was organized at the UNDP Compound in Janzour, Tripoli from 2 – 5 / 12 / 2024 for 35 participants from the LNMC in Tripoli, Benghazi and Sebha. The opening ceremony was attended by the Undersecretary of Ministry of Transportation for Air Transport Affairs, the Director of his Office, the UNDP Deputy Resident Representative, their Team Leader and Workshop Organizer & Facilitator, the LNMC President and the Directors of both Offices Training and Technical Cooperation. The GDM Female Experts were among the attendees.

The program, which was arranged for this workshop, comprised the following activities starting at 9:00 a.m. until 16:30 p.m.:-

- ▶ Giving statements on the workshop occasion by the UNDP Deputy Resident Representative, the Undersecretary of Ministry of Transportation for Air Transport Affairs and the LNMC President.
- ▶ Delivering an online presentation by the National Gender Focal Point of Morocco on " Enhancing Women Capacities in Meteorology ".
- ▶ Delivering a presentation by the Former Gender Focal Point for Northern African Region on " The Aspirations and Challenges Experienced during her Designation from 2015 – 2024 ".
- ▶ Giving a short statement by the UNDP Women Empowerment Analyst on the workshop occasion.
- ▶ Delivering lectures (Presentations) and conducting practical training by the GDM Female Experts on Data homogenization - Data quality control - Data management - Monitoring weather conditions - Delivering timely early warnings - Observing climate change trends.
- ▶ The Certificate Distribution Ceremony was crowned by the attendance of the UNDP Resident Representative in Libya, who gave a statement on this occasion, and participated with her Team Leader, the LNMC President and the Director of Training Office in honoring the GDM Female Experts, the UNDP Workshop Organizer and Facilitator and the Director of Technical Cooperation Office, who acted as workshop Coordinator/Supervisor and her assistant from the Training Office.
- ▶ At the conclusion of the ceremony, all participants received their certificates by the UNDP Resident Representative in Libya, the LNMC President and the Director of Training Office.
- ▶ The UNDP Com Team covered the workshop activities. The workshop was also highlighted on the Facebook of both the LNMC and the Ministry of Transportation.
